REMINDER: Bring Your Photo ID to the Polls!

ALL voters will have to present one of the following forms of acceptable photo identification in order to vote:

- A driver's license
- A photo ID issued by a branch, department or entity of the State of Mississippi
- A United States passport
- A government employee ID card
- A firearms license
- A student photo ID issued by an accredited Mississippi university, college or community/junior college
- A United States military ID
- A tribal photo ID
- Any other photo ID issued by any branch, department, agency or entity of the United States government or any State government

A voter may use an expired photo ID as long as it is an acceptable form of photo ID (see list above) and is not more than ten (10) years old. The expired ID must contain the name and photograph of the voter, and have been validly issued by the federal or a state government.

A voter who does not have photo ID on Election Day will be asked to vote by affidavit ballot at the polling place. The voter will then have five (5) business days to show an acceptable form of photo ID, or apply for a Mississippi Voter ID card, at the Circuit Clerk's office.

No voter will ever be turned away from the polls for failing to have acceptable photo ID.
